TONIGHT'S CONCERT IS DEDICATED TO

# MARK MAGISTRALI

## "MR, MARK"

*July 22, 1957 – November 9, 2025*

---

Tonight, we honor the memory of Mark "Mr. Mark" Magistrali – a longtime band parent, volunteer, and friend to our program. For nearly a decade, Mr. Mark gave everything to this band. He drove the equipment truck to every parade and every competition, fixed anything that needed fixing, and supported our students long after his own children graduated.

Mark proudly served in the United States Navy, and his love for the band was matched only by his love for his family and his service. In his honor, we will perform *Anchors Aweigh* and *Eternal Father, Strong to Save*, known as the Navy Hymn.

*Mr. Mark was literally in every high school marching band memory I have, and looking back I don't think as students we really understood the hard work he put in and sacrifices he made for the band.*

*Mr Mark marched every mile in the heat and cold right along side us.*

*He treated me like I was one of his own all four years in the band.*

*He was not just a band dad, he was THE band dad.*

*He was the absolute best. He was truly like a second dad to all of us in band. He loved to crack jokes and make people smile.*

*Mr Mark was such a wonderful person and he always had a smile on his face.*
